ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Regular Savings, Moola Savings, PACE Savings, Holiday Savings, Vacation Savings, IRA, Money Market Checking, and Advantage Checking accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. IRA and Money Market Checking accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

2. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Regular Savings, Moola Savings, PACE Savings, Holiday Savings, Vacation Savings, IRA, Money Market Checking, and Advantage Checking accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends.

5. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Regular Savings, Moola Savings, or PACE Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Money Market Checking accounts, there is a minimum daily balance required to avoid a service fee for the dividend period. If the minimum daily balance requirement is not met during each day of the dividend period, you will be charged a service fee as stated in the Schedule of

Fees and Charges. For Regular Savings, Moola Savings, PACE Savings, IRA, Money Market Checking, and Advantage Checking accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

6. ACCOUNT LIMITATIONS — For Regular Savings, Moola Savings, PACE Savings, Holiday Savings, and Vacation Savings accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. . If a transfer request would exceed the transfer limitation set forth above in any statement period, the Credit Union may refuse or reverse the transfer, and your account will be subject to suspension or closure by the Credit Union and the Credit Union may impose a charge. Moola Savings is for members age 0-12, must have a parent or guardian joint on the account. At age 13, Moola Savings is converted to a PACE Savings account. PACE Savings is for members age 13-17, must have a parent or guardian joint on the account. At age 18, PACE Savings is converted to a standard Regular Savings account. For HSA's, you must maintain a \$5.00 minimum balance at all times. Withdrawals from this account may be conducted by Debit or ATM card only. For Money Market Checking accounts, you may make five (5) withdrawals per month. If you exceed this limitation, you will be charged a fee as disclosed in the Schedule of Fees and Charges. For Advantage Checking accounts, you must be 55 or older and you will receive free basic checks or \$5.00 credit towards designer checks. For Premier Checking accounts, you will be charged a monthly fee if you elect to receive paper statements as disclosed in the Schedule of Fees and Charges. There is no charge for monthly statements. The first box of checks is free with this account. For Simple Checking accounts, you may be issued a restricted ATM Card only. Courtesy Pay is not available on this account. 7. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card

transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.
