2. BILL PAY SERVICES.

a. Service Access. You may access the Bill Pay service through the Online and Mobile Banking services set forth above. The Bill Pay service allows you to pay bills from a designated account to billers you designate subject to the requirement set forth below. When you use the Bill Pay service, you must designate your TAPCO Credit Union checking account as the account from which authorized payments will be deducted. You will be given the ability to set up billers you would like to pay. The Credit Union reserves the right to not allow the designation of a particular merchant or institution. The Credit Union has no obligation to research or resolve any claim resulting from an exception payment. All research and resolution for any misapplied, mis-posted or misdirected payments will be the sole responsibility of you and not of the Credit Union. You or any authorized account signers may use the Bill Pay service to perform the following transactions: (a) pay any designated biller in accordance with this agreement a fixed, recurring amount or a variable, on demand amount from your designated Credit Union checking account (b) obtain information (biller information, payment status information, etc.) about your Bill Pay account status.

b. Bill Pay Transactions. You authorize the Credit Union to process bill payments from your designated account. You may use the Bill Pay service to initiate three different types of payment transactions: (a) One-time payments are non-recurring payments (b) future payments are payments you initiate by setting the payment amount and send date in the future (c) recurring payments are payments you initiate by setting a fixed amount and payment frequency (e.g. monthly). You have an option in the Bill Pay service to set recurring payments to continue indefinitely or until a set maturity date. If the payment date falls on a non-processing day, your payment will be made the previous business banking day.

c. Authorized Payments. By providing the Bill Pay service with names and account information of Billers to whom you wish to direct payments, you authorize the Bill Pay service to follow the payment instructions that it receives through the site. In order to process payments more efficiently and effectively, the Bill Pay service may edit or alter payment data or data formats in accordance with Biller directives. When the Bill Pay service receives a payment instruction, you authorize the Bill Pay service to debit your designated account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the scheduled payment date designated by you. You also authorize to credit your designated account for payments returned to the Bill Pay service by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Bill Pay service. The Bill Pay service will attempt to make all your payments properly. If there are insufficient funds in your account to make the bill payment request, the Credit Union may refuse to make the payment, make the payment and transfer funds from any overdraft protection account you have established, or make the payment and overdraw the payment account. In any event that you have insufficient funds in your payment account to make the bill payment request, you are responsible for any nonsufficient funds (NSF) or overdraft charges the Credit Union may impose. You are also responsible for any NSF charges, finance charges, and/or late fees imposed by the bill payment provider and/or the merchant(s) you intended to pay with your bill payment account. The Credit Union reserves the right to refuse to process payment instructions that reasonably appear to the Credit Union to be fraudulent or erroneous.

d. Payment Scheduling. The earliest possible scheduled payment date for each Biller will be designated within the portion of the Bill Pay service site when you are scheduling the payment. Therefore, the Bill Pay service will not permit you to select a scheduled payment date less than the earliest possible scheduled payment date designated for each Biller. When scheduling payments you must select a scheduled payment date that is no later than the actual due date reflected on your Biller statement unless the due date falls on a non-business day. If the actual due date falls on a non-business day, you must select a scheduled payment date that is at least one (1) business day before the actual due date. Scheduled payment dates must be prior to any late date or grace period. Depending on payment method, your designated account may be debited prior to the scheduled payment date. For example, if selected method of payment is a

check, the check arrives earlier than the scheduled payment date due to expedited delivery by the postal service, and the Biller immediately deposits the check, your designated account may be debited earlier than the scheduled payment date.

e. Prohibited Payments. The following types of payments are prohibited through the Payment Service, and we have the right but not the obligation to monitor for, block, cancel and/or reverse such payments: (a) payments to or from persons or entities located in prohibited territories; (b) payments that violate any law, statute, ordinance or regulation; (c) tax payments and court ordered payments and (d) any payments listed in the Payment Services General Terms Agreement at the time of enrollment in the Bill Payment Services.

f. Canceling or Changing Bill Payments. You may cancel or edit any scheduled payment by following the directions within the portion of the site through which Bill Pay service is offered. There is no charge for canceling or editing a scheduled payment. Once the service has begun processing a payment it cannot be cancelled or edited. If your request is not entered in a timely manner, you will be responsible for the payment.

g. Stop Payments. The Bill Pay service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. You may stop payment of a scheduled bill payment from your account by notifying the Credit Union orally or in writing at least three (3) business days before the scheduled date of the transfer. We may require you to give written confirmation of a stop-payment order within 14 days of your oral notification at the Credit Union address set forth in Sec. 7.b. An oral stop-payment order ceases to be binding after 14 days if you fail to provide the required written confirmation. A stop payment cannot be placed on a payment that has processed electronically. The charge for each stop payment request will be the current charge for such service as set forth in the applicable Fee Schedule.

14. AMENDMENT AND NOTICES. The Credit Union reserves the right to change the terms and conditions upon which this service is offered. The Credit Union will provide you with notice at least twenty-one (21) days before the effective date of any change, as required by law.

15. BILLING ERRORS FOR CONSUMER ACCOUNTS. The following billing error rights apply to consumer accounts, but not business accounts. In case of errors or questions about your EFT Digital Service transactions, other than transfers from a line of credit, telephone us at the phone numbers or write us at the address set forth at the end of this Agreement as soon as you can. We must hear from you no later than sixty (60) days after we sent the first statement on which the problem appears. Tell us your name and account number, describe the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information. Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) calendar days. We will tell you the results of our investigation within ten (10) business days after we hear from you and will correct any error promptly. For errors related to transactions occurring within thirty (30) days after the first deposit to the account (new accounts), we will tell you the results of our investigation within twenty (20) business days. If we need more time, however, we may take up to forty-five (45) calendar days to investigate your complaint or question (ninety (90) calendar days for new account transaction errors or errors involving transactions initiated outside the United States). If we decide to do this, we will recredit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not recredit your account. If we decide after our investigation that an error did not occur, we will deliver or mail to you an explanation of our findings within three (3) business days after the conclusion of our investigation. If you request, we will provide you copies of documents (to the extent possible without violating other member' rights to privacy) relied upon to conclude that the error did not occur.

16. ENFORCEMENT. You agree to be liable to the Credit Union for any liability, loss, or expense as provided in this Agreement that the Credit Union incurs as a result of any dispute involving your accounts or services. You authorize the Credit Union to deduct any such liability, loss, or expense from your account without prior notice to you. This Agreement shall be governed by and construed under the laws of the State of Washington as applied to contracts entered into solely between residents of, and to be performed entirely in, such state. In the event either party brings a legal action to enforce the Agreement or collect any overdrawn funds on accounts accessed under this Agreement., the prevailing party shall be entitled, subject to Washington law, to payment by the other party of its reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post judgement collection actions, if applicable. Should any one or more provisions of this Agreement be determined illegal or enforceable in any relevant jurisdiction, then such provisions be modified by the proper court, if possible, but only to the extent necessary to make the provisions enforceable and such modification shall not affect any other provision of this Agreement.
