NEW LOCATION, FAMILIAR FACES FREDERICKSON BRANCH

TAPCO is excited to welcome you to our new Frederickson Branch, opening this spring!

We were proud to be first to market in the Frederickson area with our retail branch inside Canyon Crossing in 2020. Now, we're opening the doors to a permanent, full-service location—designed to grow with the community.

This new 5,200-square-foot branch features a modern, member-focused design, including a Community Room for collaboration and an in-branch coffee partner coming soon. The branch offers walk-up and drive-up ATMs, a night deposit box, and two convenient drive-thru lanes. Lobby hours will remain the same as our current location, while the drive-thru will stay open a half hour later to better serve your needs.

“This branch is not just a symbol of growth; it’s a testament to TAPCO’s enduring strength and commitment to our communities,” said Justin Martin, President/CEO.

This project marks a major milestone in TAPCO’s 90-year history, and we extend our thanks to Momentum Inc. and Helix Design Group for helping bring it to life.
